

The 6 federally-funded Health Center organizations with a presence in California's 31st Congressional District leverage **\$10,190,856** in federal investments to serve **224,425** patients.

Notes: Delivery sites represent locations of organizations funded by the federal Health Centers Program. Some locations may overlap due to scale or may otherwise not be visible when mapped. Federal investments represent the total funding from the federal Health Centers Program to grantees with a presence in the state in 2015. Due to the inclusion of newly funded grantees in this map, funding amounts are likely underreported for grantees with sites in this district.
