

NACHC Trainings ... Explore the Possibilities

NACHC's 2017 Regional Trainings tour has begun! Discover the innovative solutions, strategies, and best practices to challenges facing today's health centers that only NACHC can provide. Choose from one of the in-person trainings below and prepare to help launch your health center toward operational excellence.

Follow these three easy steps to catch one of our cross-country training events:

Step 1
Register online

Step 2
Pack your bags

Step 3
See you in class!

Travel to Great Cities and Learn

Find more information on these and other NACHC regional trainings at:
