Key NACHC Resources

HEALTH CENTER RESOURCE CLEARINGHOUSE: In partnership with HRSA and our NCA partners, NACHC launched an online clearinghouse of training and technical assistance resources to support health centers' operational performance. Check it out at: healthcenterinfo.org.

New at MyNACHC Learning Center

Top resources available to health centers at mylearning.nachc.com include:

GOVERNANCE RESOURCES

- **Governance Workbook** – This manual provides an overview of the Health Center Program and what it takes to be an effective board member – available in English and Spanish.
- **Board and CEO Succession** – This is a recorded webinar series on the dimensions of board chair leadership.

OUTREACH PROMISING PRACTICE

- **Managing Online Patient Engagement** - This Issue Brief addresses the key ways that health centers can benefit from using social media to increase patient engagement.

HEALTH RESOURCES FOR VETERANS

- **Providing Care for Veterans in Community Health Centers** – This updated two-page fact sheet explains how health centers can become an approved provider by the US Veterans Health Administration.
- **Veterans Choice/Mission Act Toolkit** – This updated resource provides a detailed overview of the history, status and future of the US Department of Veterans Affairs "Community Care" program.

VALUE TRANSFORMATION

- **Business Intelligence Strategy in the Community Health Environment** – This publication provides guidance for business intelligence strategy
- **How to Not Just Survive but Thrive in a Value-Based, Highly Competitive Marketplace** – This issue brief focuses on the challenges health centers may face in preparation for payment reform and the changing healthcare environment.

Unless otherwise noted, all projects listed are supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$6,375,000 with individually noted percentage financed with non-governmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS, or the U.S. Government. For more information, please visit HRSA.gov.
