Together, our voices elevate all.

ARE YOU...?

- Interested in systems change and transformation?
- Wanting to drive change that improves health outcomes, improves patient and staff experience, and reduces health center costs?
- Looking to join with others across the nation to advance the health center of tomorrow?

...If you answered “yes” to any of the above, join Elevate now!

THE VOICES OF elevate°:

Drive change

The Elevate learning forum has been of great value to El Rio. Elevate allows a methodology of self-reflection and assessment as well as provides resources and collaborative learnings that allow all health centers to better meet the challenges of navigating the changing paradigm of healthcare delivery.

Douglas Spegman, MD, El Rio Health, AZ

Connect and collaborate

I highly recommend participating in the Elevate learning forum. It has been an excellent tool for enhancing and supporting the work we have been doing with our member health centers in the area of practice transformation. Our health centers enjoy the comprehensive information provided by NACHC and learning best practices from their peers in other states. The Action Guides are a great resource for implementing the content covered during the learning forums.

Russell Dexter, MBA, CPHQ, Community Health Center Association of Connecticut, CT

Shaping the health center trajectory

I really enjoy the Elevate learning forum, and I am getting some great ideas from other health centers to apply at our center – and appreciate the opportunity to share our ideas as well.

Patricia Dyer, RN, Chief Operations Officer, Mountain People's Health Councils, Inc., TN

What is elevate°?

THE MODEL: a national learning forum supporting health center systems change through application of NACHC’s Value Transformation Framework.

THE GOAL: to advance health center progress on the Quadruple Aim: improved health outcomes, improved patient and staff experience, and reduced costs.

THE FORMAT: blended learning opportunities – webinars, peer-to-peer networking, podcasts, self-paced learning modules...and more!
Together, our voices elevate° all.

What does Elevate offer?

- **Self-assessment** tool for the 15 Change Areas of the Value Transformation Framework
- **Guided instruction** in the Value Transformation Framework
- **Step-by-step actions** in evidence-based transformation fundamentals (e.g., risk stratification, care management, care teams)
- **Practical “how-to”** Action Guides designed with busy health center staff in mind
- **Online platform** for connecting with peers around the country working on systems change
- **Peer-to-peer forums** to discuss application of the evidence and to trade and share resources and tools
- **Blended learning curriculum** to include webinars, self-paced modules, podcasts, written action guides, and more

Supplemental Resources

In addition to the Elevate learning forum offerings, health centers receive access to:

- Institute for Healthcare Improvement’s (IHI) Open School scholarship (limited quantity; first-come, first serve)
- An online document management platform that supports compliance with HRSA Health Center program requirements (limited number of trial memberships; first come, first serve)

What is the commitment to participate in Elevate?

**For Health Centers:**

- **Commit.** Obtain CEO, CMO, and leadership team commitment to engage in Elevate 2020.
- **Assess.** Three health center staff complete a 15-question Value Transformation Framework assessment in January and re-assess in December of 2020.

**For PCAs/HCCNs:**

- **Offer.** Assist NACHC in engaging and recruiting member health centers to participate in Elevate 2020; leverage current PCA/HCCN initiatives.
- **Assess.** QI lead(s) complete a 15-question Value Transformation Framework assessment in January and re-assess in December 2020.
- **Orient.** Participate in a virtual launch session (approximately 60 minutes) in January 2020.
- **Identify.** Select transformation content area(s) that are of interest and/or to contribute content: QI, clinical, HIT, care management, and finance.
- **Engage.** Participate in monthly learning opportunities from January – December 2020 that provide instruction and resources to support transformation.

The Value Transformation Framework

Elevate approaches transformation through the lens of the Value Transformation Framework. The framework provides a succinct, evidenced-based model to guide systems change by translating research, proven solutions, and promising practices into manageable steps health centers can apply to improve outcomes, patient/staff experience, and cost.

How do we join?

Click the below link:

PCA/HCCN **sign up by November 1, 2019:**
[Click Here](http://Click Here)

Health center **sign up by November 26, 2019:**
[Click Here](http://Click Here)

Health centers who sign up for Elevate are asked to notify their PCA/HCCN as NACHC seeks to engage and draw upon the expertise and role of PCAs/HCCNs in each state where there is a participant health center.
