% of County Residents Experiencing Primary Care Physician Shortage ■ <1% ■ 1 - 10% ■ 10 - 15% ■ 15 - 29%

□ 2013 Congressional Districts (ND = Not Defined)

Sources: US Census 2010; HRSA Data Warehouse 2014; AMA Masterfile 2013; UDS Mapper 2014. Notes: Estimates were done only for federally designated shortage areas at the Census block level, then aggregated to county and state levels. State total excludes all health center patients; county and demographic percentages exclude only health center patients who live in shortage areas. For more information, email: research@nachc.org.
