

COMMUNITY HEALTH INSTITUTE^(CHI) & EXPO 2018

Hyatt Regency Orlando, Orlando, Florida
August 24-28, 2018

Conference Program Supplement

GENERAL SESSION UPDATES

Sunday, August 26, 2018

3:00pm – 4:30pm

Special Partnership Announcement

Jeannette Betancourt, EdD, Senior Vice President, U.S. Social Impact, Sesame Workshop

Dr. Betancourt is the Senior Vice President for U.S. Social Impact at Sesame Workshop, the nonprofit organization behind *Sesame Street*. She directs the development and implementation of community and family engagement initiatives making a difference in the lives of vulnerable children and their families. These research-based initiatives are designed to impact children's early learning, health and well-being, and provide strategies and resources to counteract the effects of trauma while fostering the critical connections that adults have on children's lives.

Prior to joining Sesame Workshop, Dr. Betancourt created programs in adult learning and early childhood education at Teachers College, Columbia University. She is a licensed bilingual speech and language pathologist and educational therapist.

National Practitioner Data Bank

Booth 725

The National Practitioner Data Bank (NPDB) is a web-based repository of reports containing information on medical malpractice payments and certain adverse actions related to health care practitioners, providers, and suppliers. Established by Congress in 1986, it is a workforce tool that prevents practitioners from moving state-to-state without disclosure or discovery of previous damaging performance. The NPDB assists in promoting quality health care and deterring fraud and abuse within health care delivery systems.
