**Opening General Session**

**Masserae Sprauve Webster, MPA**, Chief Executive Officer, Frederiksted Health Care, Inc. and **David B. Vliet, BHA, MBA**, Chief Executive Officer, Tiburcio Vásquez Health Center, Inc., will also present.

Masserae Sprauve Webster has over 37 years of social service experience and advocating for the residents of the Virgin Islands. She has an avid love for people and is especially committed to improving the lives of the underserved and helping them have a fair and equitable chance in succeeding.

Mrs. Sprauve Webster worked with the Virgin Islands (VI) Government at the Department of Human Services for 10 years as a social worker and later as a supervisor at the Youth Rehabilitation Center which is a facility for adjudicated juveniles. She would eventually accept a position with Lutheran Social Services (LSS) of the Virgin Islands, where she served for 10 years as the Director of the Queen Louise Home for Children – a residential home for abused and neglected children. She later became the Director of Housing for Seniors and Persons with Disabilities at LSS and then rose to the position of Chief Operating Officer of LSS.

In April 2008, Sprauve Webster accepted the position of Chief Executive Officer of Frederiksted Health Care, Inc. (FHC) – a post she has held for the past 10 years. She and her team have led FHC in several major accomplishments: of great note is growing the agency from two sites to five sites, from 36 employees to 110 employees, and being the only public dental provider on the island. FHC has been focused on improving the delivery of health care and making it accessible for all. FHC’s motto is “Putting the Care Back into Health Care.”

Mrs. Sprauve Webster also serves on several local committees and governmental task forces.

David B. Vliet serves as Chief Executive Officer of Tiburcio Vásquez Health Center, Inc. (TVHC) with more than 19 years of experience in practice management and health services administration.

Prior to joining TVHC, he served for 10 years as the Chief Executive Officer of Central Texas Community Health Centers, Inc., where he managed 22 delivery sites and over 500 employees, and oversaw a $65 million budget. During his initial tenure, as Chief Operating Officer for the Centers, Vliet led the expansion of the organization and implementation of its Electronic Health Record and Electronic Practice Management systems, and overhaul of its operations. He also served as a practice administrator for the renowned Alfred I. DuPont Nemours Children’s Clinic, a multi-pediatric specialty practice with operational responsibility for 18 medical and surgical divisions.

Mr. Vliet currently sits on a variety of local and national boards including as current chair for the Community Health Center Network (CHCN), a partnership of Alameda county-based community health centers; A Better Way, Inc., a nonprofit serving foster children and their families; and Region IX Representative to the NACHC Board of Directors.
