2021 LIVE VIRTUAL TRAINING

WEEK 1: February 2, 3, and 4
WEEK 2: February 10 and 11

This interactive training goes beyond the basics of being a new clinical director in a FQHC. MAHC 1 focuses on skills that are essential to today's health center environment. You will learn specific management skills that can help address the increasing need to generate tangible results which support the move to value-based care including:

- > Financial Management
- > The Enhanced Role of the Clinical Director (Medical, Dental, Behavioral Health, etc.)
- > Clinical Operations
- > Productivity Management
- > Performance Compensation

"I finally understand the basics of our monthly and annual financial statements."

Continuing Education Credit

The National Association of Community Health Centers (NACHC) provides continuing education credits through the American Academy of Family Physicians (AAFP). This educational activity is typically approved for up to a maximum of 21.75 AAFP CME credits. Certificates of Completion, including CME credit information will be presented at the end of the completed course. Physicians should only claim credit commensurate with the extent of their participation in the activity (<http://www.aafp.org/cme/creditsys/about/t2p.html>).
