Community Health Centers®**

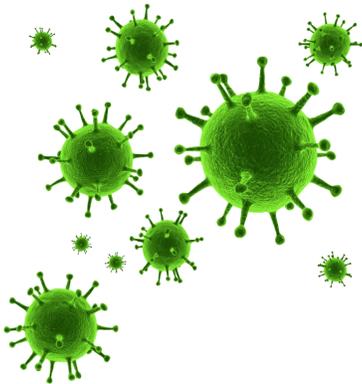

# Leadership Coaching Series: *Health Center Leadership During a Crisis*

Offered in partnership with [CEEK, LLC](#)

## Value of Group Coaching

- ◇ Connect with a group of people with similar goals and values to develop actionable ideas in a short amount of time.
- ◇ Explore key topics with an expert coach who guides conversation to accelerate results.
- ◇ Expand your network of valuable connections while learning from varying viewpoints and approaches to problems and challenges.
- ◇ Experience the feeling of being part of something bigger, while growing personally and professionally as an individual.

## Why Now?

- ◇ Combat crisis fatigue by leaning on the collective wisdom of the group; you are not in this alone.
- ◇ Give and receive help and support.
- ◇ Experience the value of a coaching relationship.
- ◇ Recharge in a safe space while gaining fresh perspectives.

## Group Coaching Learning Objectives:

### Participants will be able to...

1. Identify one actionable item to implement at their health center based upon the topic of the session.
2. Develop an extended peer network for future discussion and support.
3. Explain the value of leadership coaching as a form of professional development.
