Atria 340B By Hudson Headwaters is a Third Party Administrator for Covered Entities and their pharmacy partners participating in the 340B Federal Drug Pricing Program. As an extension of a Federally Qualified Health Center, Atria 340B offers unparalleled program understanding and focuses heavily on 340B compliance. In addition to Third Party Administrative services, which includes program consulting, implementation and management of pharmacy arrangements, Atria 340B offers auditing services including mock-HRSA Audits and Compliance Assessments.

Founded in 2000, San Antonio-based CaptureRx is a healthcare technology company and leading 340B solution provider that puts people first, touching millions of patient lives through customer obsession and innovative products and services that support relationships among payers, providers, pharmacies and patients. Our solutions manage inventory and financial flow for 340B prescriptions filled at contract pharmacies and perform the eligibility checks required to comply with 340B program requirements. Using a process that's seamless to the covered entity, pharmacy and patient, our Cumulus platform has processed more than 190 million patient encounters and more than 750 million switch claims. Currently, CaptureRx solutions serve more than 500 hospitals and health centers in 45 states via a robust pharmacy network of more than 3,500 contracted locations of independent, national and regional pharmacies.

Equiscript works with eligible covered entities to create and manage a 340B home delivery Healthier patients. 340B Savings. Bringing Health Back Home. Equiscript delivers a better, simpler experience for patients managing chronic conditions that require multiple maintenance medications. Through its proactive patient outreach and service options, Equiscript helps patients get the medication they need and gives them the support they need to stay adherent and achieve better health outcomes. Learn more at [www.equiscript.com](http://www.equiscript.com).

We offer the only solution for 340B covered entities that directly addresses the "gray area" of 340B with required documentation: prescriptions that result from a referral for consult.

Verity Solutions is an award-winning provider of 340B software and services. We understand the importance of maintaining and growing the hospital's relationship with both independent and chain pharmacies in your community. With increasing complexity and a constant demand for audit preparedness, covered entities are having a tougher time managing the program. Which is why now, it's more important than ever to have the right solution ... and the right partner. Verity can help you maximize the performance and agility of your 340B program with a host of service and product offerings designed to help you stretch your scarce resources, foster compliance, respond quickly to changing regulations, and maximize your savings. Verity is your comprehensive solution for split billing, contract pharmacy, specialty/hemophilia contract pharmacy, audit and compliance services, compliance management and tracking tools, and purchase optimization analytics.

# Accounting, Finance, Tax & Billing

 <p>501(c) AGENCIES TRUST® America's Leading Unemployment Program</p>	<p>501(c) Agencies Trust is an organization that helps nonprofits handle the practice of not paying the state unemployment tax and only reimbursing for claims. We are the oldest and largest such organization in the country. Technically, we are a grantor trust governed by a board of trustees made up of our nonprofit participants that provides the legal, financial and administrative resources necessary for us to manage our own unemployment claims process.</p>
 <p>BankFinancial™</p>	<p>Whether you're in a merger, purchasing a new facility or buying new equipment, your success depends on lending experience that recognizes the distinct financing and cash flow requirements of today's care providers. At BankFinancial, we bring you highly specialized industry lending experience supported by a veteran banking team. We stand behind our deals, giving you the confidence and the financial flexibility to adapt and thrive even amid shifting reimbursements and regulations.</p>
