

Health Center Workforce Summit

Agenda-At-A-Glance

May 26 – 27, 2021 (12-5 pm ET/9 am-2 pm PT)

Workforce Summit Goal: Health centers apply effective approaches to addressing workforce challenges and needs.

Learning Objectives: Participants of the Workforce Summit will be able to:

1. Understand and provide examples of how telehealth and remote work impacts workforce law, composition, and culture in the post-COVID-19 health care environment.
2. Define and identify strategies to reengage and rebuild a workforce family suffering from burnout, compassion fatigue, moral injury, and moral distress.
3. Determine and identify opportunities to rebuild the workforce through health professions education and training, as well as inclusive and culturally responsive leadership committed to equity.

5:00 pm	Adjourn

The Health Center Workforce Summit is a joint effort of workforce-focused HRSA National Training and Technical Assistance Partners: Association of Clinicians for the Underserved STAR²Center, Community Health Center, Inc. / Weitzman Institute, and the National Association of Community Health Centers. The two-day virtual event is an opportunity for health centers, health center-controlled networks (HCCNs) and primary care associations (PCAs) to come together to share and elevate promising practices in addressing workforce challenges and needs. For more information visit <https://www.nachc.org/trainings-and-conferences/workforce-education-solutions/2021-biennial-workforce-summit/>.
