## Redesigning Health Care Through People, Payment, and Technology

The 2022 FOM/IT is a dynamic gathering of health center decision makers – CEOs, CFOs, COOs, CIOs, and finance, operations, and IT staff – from across the country. This “Nuts and Bolts Conference” is designed specifically to share proven techniques, tools, and innovative strategies for organizational transformation. The conference provides networking opportunities for participants to interact with colleagues, industry experts, and powerful speakers.
