

Mobile Health Advancement: Operations, Outreach, Expansion

Offered in partnership with the Leon Lowenstein Foundation & Direct Relief

FAQs

As a reminder when applying for this funding opportunity, please ensure that your organization's NACHC Organizational Membership status is active, in good standing, and up to date. For any questions regarding this, please contact NACHC's Membership Team at Membership@nachc.com.

- 1. Can my organization submit more than one application if we are interested in applying to multiple funding tracks?**
 - a. Yes, your organization can apply for multiple funding tracks. Keep in mind that if your organization is selected for multiple tracks, you will only be awarded one of them at the choice of the review panel.

- 2. Are the expenses associated with attending the Mobile Healthcare Association (MHA)'s annual conference included as "allowable expenses"?**
 - a. Yes, these are allowable costs. The optional question on the application form regarding this that applicants can answer may lead to an additional \$1,000-\$1,500 being available to attend this conference. However, please note that MHA membership fees are *not* considered allowable expenses.

- 3. Are personnel salaries considered an "allowable expense" as they relate to facilitating the work of grant activities?**
 - a. Yes, these are allowable costs.

- 4. What costs are ineligible for coverage by grant dollars?**
 - a. Several examples of unallowable expenses include:
 - The purchase of a mobile health unit
 - Purchase of alcohol
 - Employee bonuses
 - Costs unrelated to the project itself (i.e., costs for a diabetes education program or staffer who is not part of the mobile health program, equipment for an exam room at a bricks and mortar site)

- 5. Can I submit my application via email as a Word/PDF document?**
 - a. All applicants must complete the application form as it appears on the grant's webpage. While you must complete each required question before proceeding to the following sections, you should be able to go back and edit your answers before submitting the application.
