Post Set A: Awareness / Introduction

1. Facebook / Instagram / LinkedIn

We're proud to join the **Building Care With You** campaign—a national movement to elevate awareness of Community Health Centers.

At **[CHC Name]**, we provide high-quality, affordable care for all—at the intersection of medical, behavioral, dental, and social supports.

Want to learn more about what CHCs are and how they serve this community? Visit ► [URL to your CHC "What is a CHC?" page]

5. Twitter / X

CHCs offer more than just doctor visits: dental, behavioral health, social services & more. Proud to share our full story as part of

#BuildingCareWithYou.

6. Instagram / Facebook

“When I came to **[CHC Name]**, I found not just a doctor—but support, referrals, a team that truly listens.”

Stories like these are at the heart of **Building Care With You**—united voices, deeper impact.

Share your story with us: [Link or call for submissions]

Post Set C: Call to Community / Stakeholders

7. LinkedIn / Facebook

Partners, community leaders, and policymakers: thank you for caring.

We are joining **Building Care With You** to strengthen our shared voice. Together, we can ensure every resident knows the full spectrum of care available locally—and support sustainable funding for it.

Let’s build stronger care with you—and for our whole community.
